

OCCUPATIONAL HEALTH AND SAFETY POLICY

We are a specialized company in manufacturing and commercialization of animal nutrition and health products that is committed to the occupational health and safety of our workers, contractors and visitors. We uphold a policy of prevention, effective control of risks in general and diseases associated with our operations within the national legal framework and company initiatives.

We promote and permanently supervise health and safety by encouraging the participation and active consultation of each of our workers, contractors, suppliers and visitors.

We guarantee the integrity of our Occupational Health and Safety Management System by following our internal policy of continuous process improvement.
